## Creswick Campus Residential Services

### Summary Information for Students

Detailed information about the Creswick Campus residential accommodation can be found on the internet at:

[Creswick Campus Accommodation](#)

and also in the Creswick Campus Information Booklet.

Students staying on campus are *usually* accommodated in **AVG House** as this is the least expensive option and provides the best access to kitchen facilities, the student computer lab and wireless computer network.

If AVG House is fully occupied you may have to be accommodated in Semmens Hall or The Lodge for which the prices are higher than AVG.

Both **short term and long term accommodation** is available in AVG House at the following current rates for students:

Per night (no minimum stay)	\$37.00
Per night (minimum 7 nights)	\$22.00
Per night (minimum 42 nights ie. 6 weeks)	\$16.00
Minimum 6 weeks is commonly referred to as 'long-stay'.	

You must **book a room in advance** by completing the 'Booking Form for Accommodation' and returning it to [creswick-accom@unimelb.edu.au](mailto:creswick-accom@unimelb.edu.au) to ensure that a room will be available. Any bookings made with less than one full working day's notice prior to arrival will attract an **additional \$25 booking fee**.

**Check-in time** is after 3pm on your arrival date and **check-out time** is by 9am on your departure date. If you require access to your room after 9am, you will need to book for an extra day.

The Creswick Campus **gymnasium** is open to all students as well as staff and members of the local community.

Gym memberships for students taking intensive two week subjects at Creswick are available for \$15 for the two weeks.

**Payments** for accommodation may be made by EFTPOS/credit card (preferred) or cash, between 9am and 4pm, Monday to Friday, at the Creswick Campus reception.

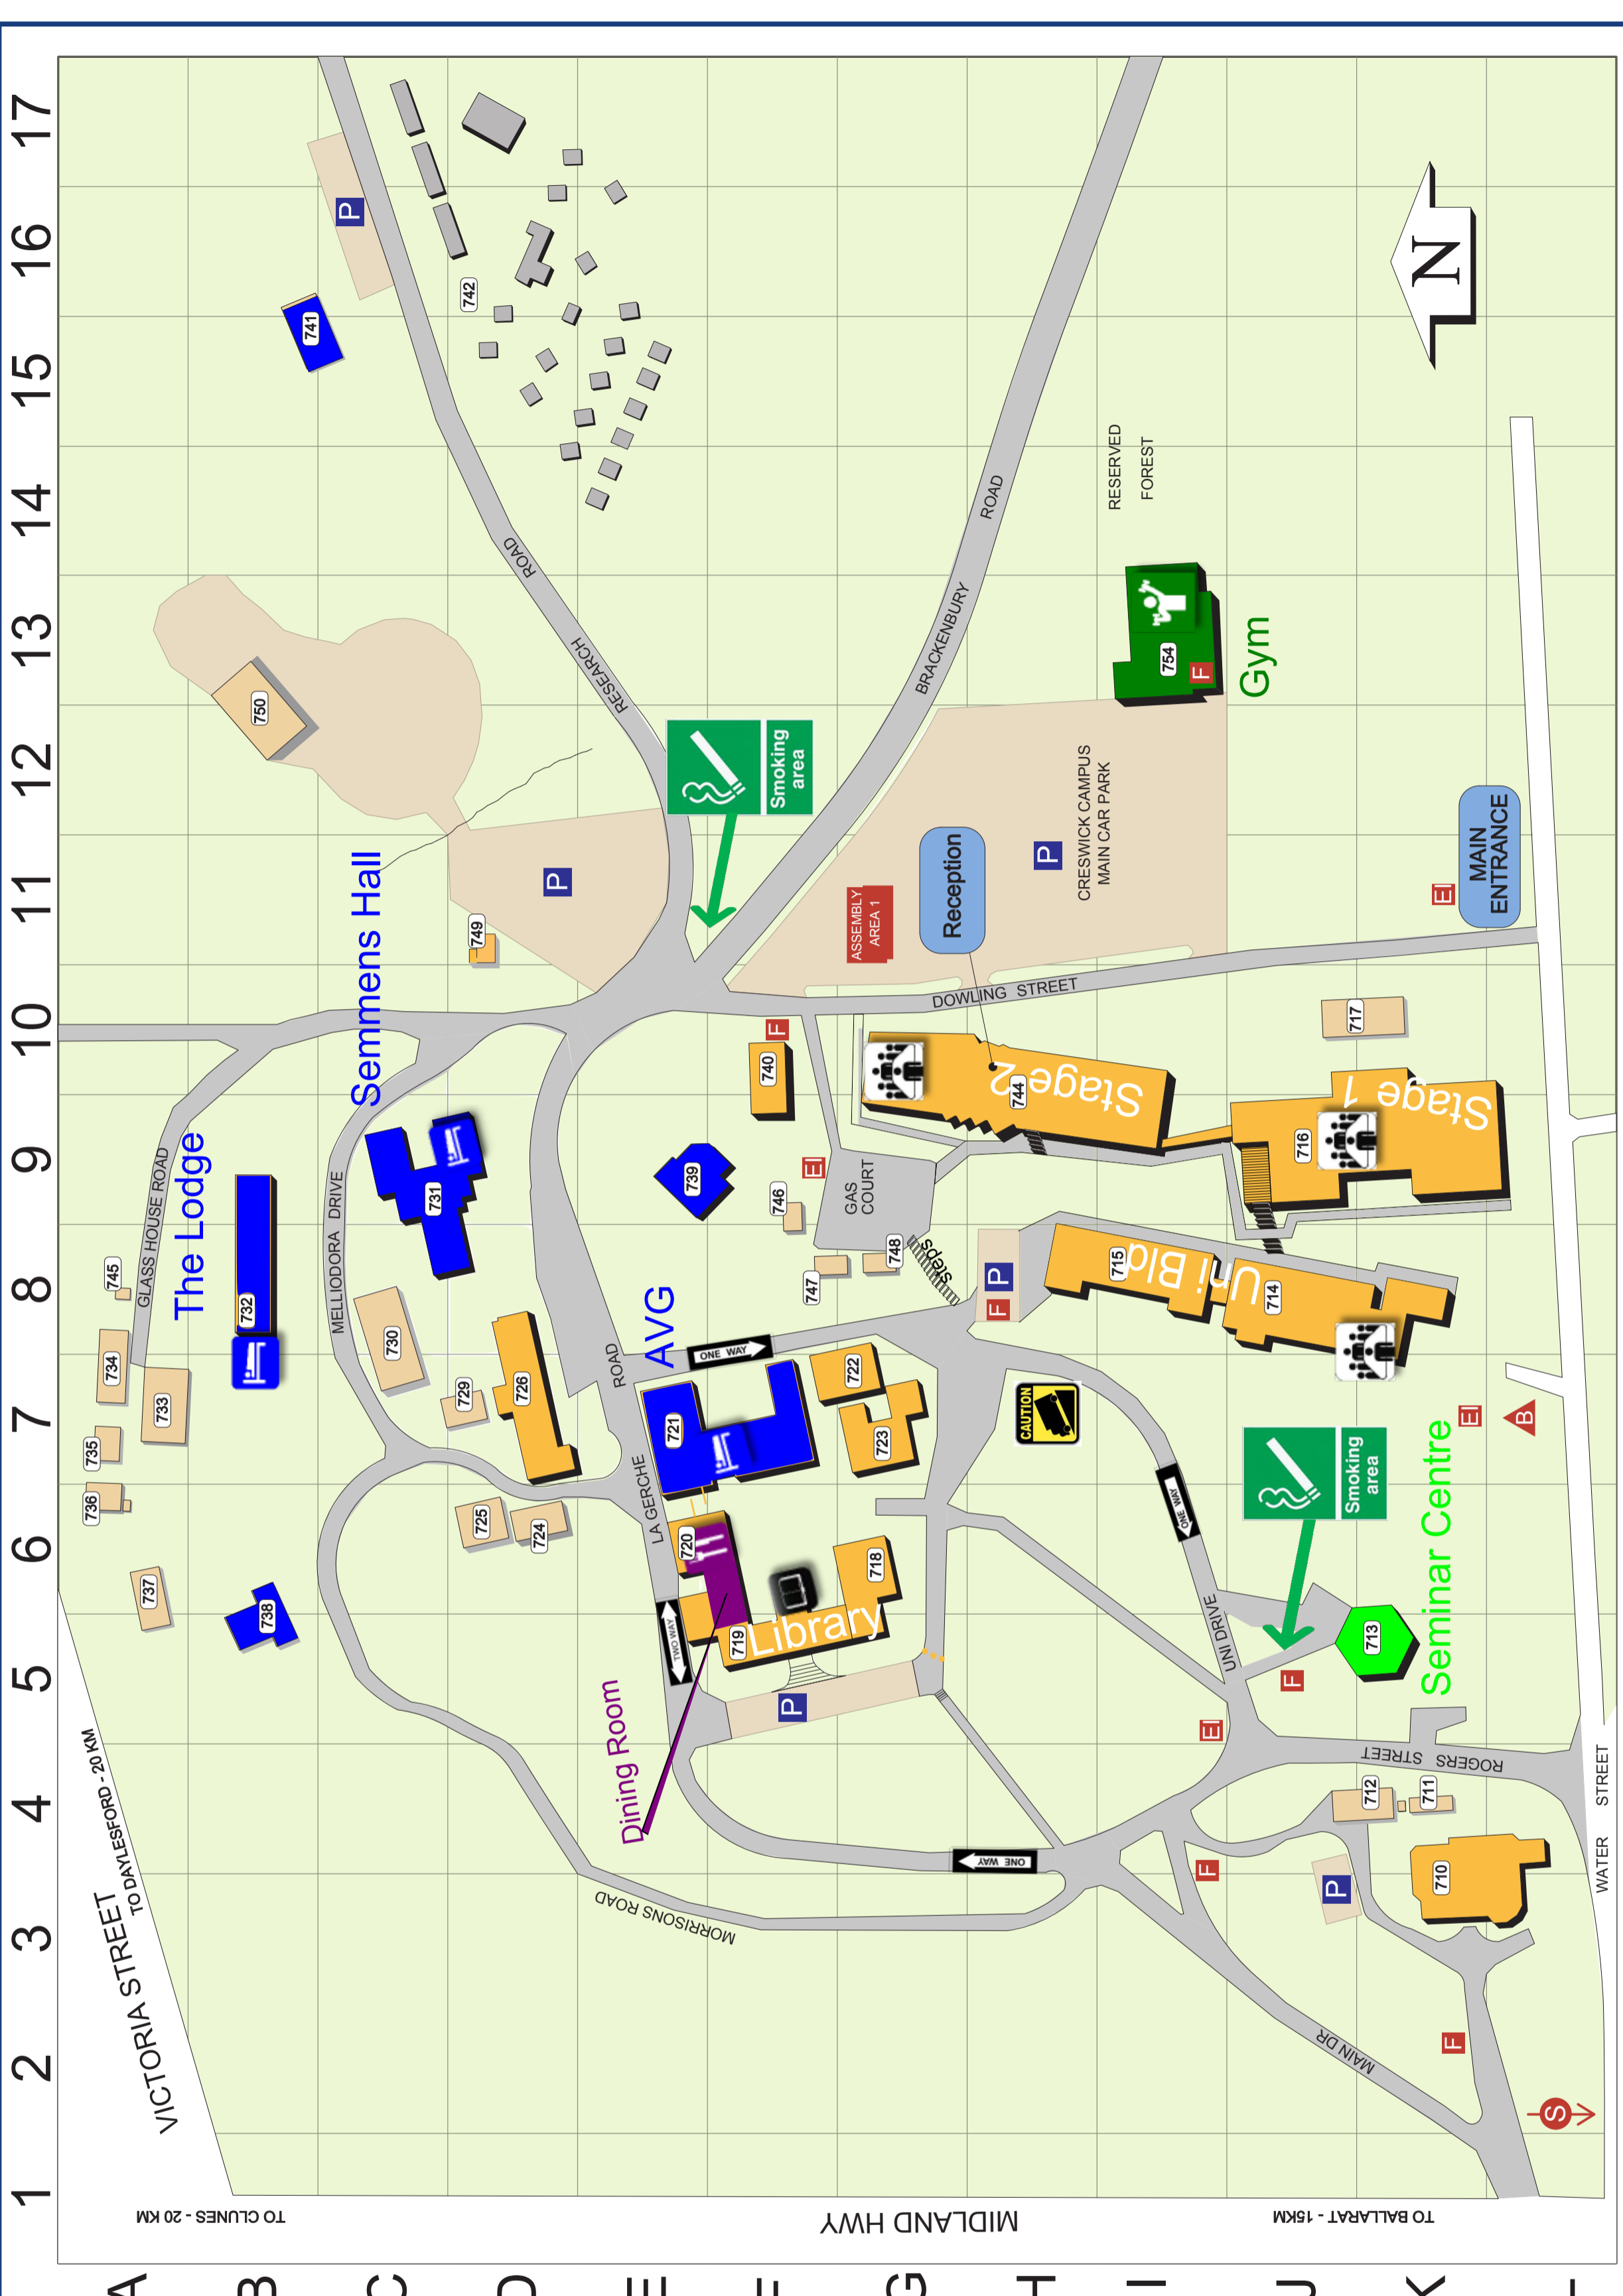

PLEASE NOTE THAT THE CRESWICK CAMPUS IS 'SMOKE-FREE'
